DETAILED ACTION

Allowable Subject Matter

1. Claims 55-77 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Claims 55 and 77 have been found to be allowable over the prior art of record because the prior ^{art}~~ad~~ fails to teach or suggest a suspension package comprising: a platform, two end panels, two reinforcing flaps each pivotally connected to an inner edge of the end panels and configured to contact the second face of the platform, two side panels, an elastomeric member mounted between the two end panels, two end panels are configured to pivot between an un-tensioned state and a tensioned state, wherein the tensioned state, acute angles are configured to form between the second face of the platform and each of the end panels and wherein the end panels are configured to provide a spring action against a surface in contact therewith, in combination with the remaining limitations of the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Faye Francis whose telephone number is 571-272-4423. The examiner can normally be reached on M-F 6:30-3:00.
